

*Understand your body's Innate Healing Powers
Adopt a Preventive Approach rather than a reactive one
Live a Disease-free & Medicine-free healthy life full of vigor & vitality*

... because “Everyone deserves better Health”

therapeticka™ is a Wellness Service Provider, providing preventive and personalised healthcare solutions for a disease-free life. It seeks the root cause of your problems and using various non-conventional modalities of healing evokes the body's inherent healing powers to transform you into a state of healthy living.

Modalities

WELLNESS, BEAUTY & PAIN CONSULTATION

Discover the root cause of your ailments and remove them with alternative ways.

PAIN CONTROL WITHOUT MEDICATIONS

Arouse your natural painkilling ability and get pain relief without side effects.

NON- CONVENTIONAL THERAPIES

Harmonise the imbalances in your body naturally and align your innate healing power with the universal power.

BEAUTY & ANTI-AGING THERAPY

Reduce your biological age & aging speed. Repair your body by consultations, nutritional plans and therapies.

INDIVIDUALISED DIET & NUTRITIONAL COUNSELING

Understand your body type and its nutritional requirements.

PREVENTIVE & PERSONALISED MEDICINE

Prevent health issues through personalised solutions for a healthy enhanced life.

FITNESS OF THE BODY & MIND

Program your mind to cope with stress, regain vitality and unleash the power of your mind to eradicate the root cause.

HEALTH MAINTENANCE PROGRAM

Maintain a state of equilibrium after reviving from any illness, increase your vitality and boost your immune system.

Therapies

Acupressure, Acupuncture, Art Therapy, Ayurveda, Bach Flower Therapy, Beauty Therapy, Cupping, Happiness Therapy, Homoeopathy, Hydrotherapy, Magnet Therapy, Moxibustion, Naturopathy, Nutritional Therapy, Physiotherapy, Remedial Massage, Siddha, Sleep Therapy, Sujok, Unani, and Yoga.

therapeticka™ is your Health Wisher.

We help you live a healthy life that is free of dependency on doctors and medications.
